**MEMO ENDORSED**

**Re: United States v. Lamar Griffin**  
18 Cr. 454 (KPF)

Your Honor:

I write to request a two month adjournment of the conference on Mr. Griffin's VOSR, which is currently scheduled for January 7, 2025. Both probation, by Amber Wilton, and the government, by Frank Balsamello, Esq., agree with this request. Mr. Griffin had been doing reasonably well, but has recently faltered in his recovery and compliance with treatment. In early December, 2024 he tested positive for fentanyl and although he disputes the results, he also missed some of his required treatment sessions.

Mr. Griffin has agreed to attend all drug treatment sessions and refrain from using any prohibited substances. Therefore, the parties recommend a two month adjournment so we can assess Mr. Griffin's status at that time.

Respectfully,  
*Lisa Scolari*
